

## Competency Framework

## Competency Clusters

Our Fáilte Ireland Competency Framework outlines twelve distinct behavioural competencies which align to four core competency groups that are essential to deliver success for Fáilte Ireland and our clients. The clusters capture the essence of the framework and provide context for the twelve distinct behaviours. The four competency groups are outlined below.

#### **Leading Self and Others**

Inspire and Engage, Strategic Thinking, Decision Making

This group of competencies organises the competencies relating to our people leading themselves, and their colleagues, and communicating purpose and direction with clarity, integrity and enthusiasm, and building capability for all.

For leaders, it is a bout being visible, establishing strong direction and managing and engaging with employees in a truthful way. It is about building a performance culture and growth mind-sets within Fáilte Ireland, where staff are given the space, authority and support to deliver outcomes.

### Collaborating for Success

Managing Relationships, Communicating Effectively, Team Work

This group of competencies organises the competencies relating to effective interactions with colleagues, stakeholders and customers. At all levels, it requires working collaboratively and building supportive, trusting and professional relationships with colleagues and stakeholders, both internally and externally.

For leaders, it is a bout being a pproachable, delivering business objectives through creating an inclusive environment, and welcoming challenge however uncomfortable (growth mind-sets).

#### **Delivering Results**

Commercial Awareness, Project Management, Planning and Managing Work

This group of competencies organises the competencies relating to carrying out roles to achieve results in an effective, efficient and accurate manner, delivering value for money, managing a quality service and delivering at pace.

For leaders, it is a bout identifying economic, market and customer issues and using these to promote innovative business models, commercial partnerships and agreements to deliver the greatest value. It is about creating an environment to deliver

operational excellence and creating the most appropriate delivery models for Fáilte Ireland.

#### **Embracing Change**

Leverages Technology, Embracing Innovation, Flexibility This group of competencies organises the competencies relating to building our capabilities for the future, allowing us to thrive as an organisation and leverage our expertise, innovation and adaptability in the current working environment. For leaders, it is about investing in the competencies of our people, to be effective now and in the future as well as giving clear, honest feedback and supporting teams to succeed. It is also a bout taking account of wider impacts to develop long term implementation strategies that maximise opportunities to add value and support economic, sustainable growth.

## Competencies

#### 01: Inspire and Engage.

Inspires and motivates self and others to achieve personal and organisational success for Fáilte Ireland. Engages and supports colleagues to perform at their best, while building a diverse and inclusive team.

Constructively challenges current thinking, adapts approaches and proactively identifies innovative ways to meet the needs of Fáilte Ireland and Fáilte Ireland stakeholders.

#### 12: Flexibility

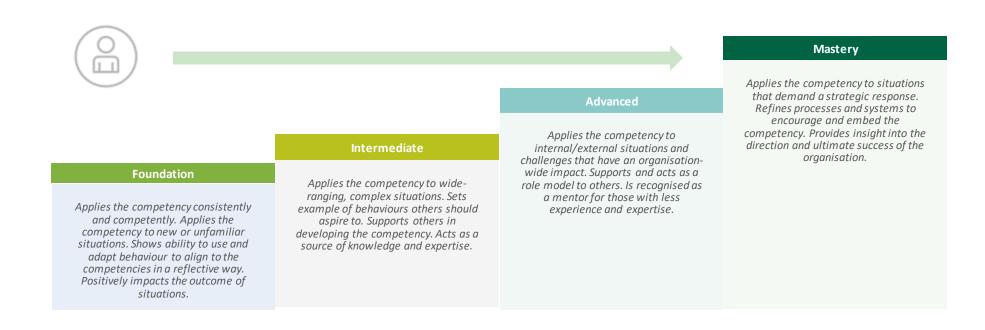

Displays flexibility, resilience and adapts positively, to sustain performance in an ever changing business environment.

### Competency Levels

#### **Employee Development Journey**

- The model below provides an overview of the four competency levels, with each level building on the preceding one. Each of the competencies included in the Framework are designed to indicate the skills and behaviours expected for a particular role. The listed indicators under each competency are a guide only. They are not exhaustive, nor are they a checklist to be ticked off.
- Within each competency level there are 4-7 indicators that are essential to demonstrating that competency effectively. These indicators provide a clear indication of the contribution of employees at different levels within Fáilte Ireland, which is crucial to Fáilte Ireland's performance as a whole. These indicators are designed to provide a focus for discussions around performance, development and recruitment. Proficiency does not necessarily correlate with seniority in the organisation.

## Leading Self and Others

Inspire & Engage Strategic Thinking Decision Making
